# More Measuring Length

Find each object in your classroom.  
Measure how long or how tall with cubes.

## Measure

how long: about \_\_\_\_\_ 

how long: about \_\_\_\_\_ 

how long: about \_\_\_\_\_ 

4. Look at the desk and the bulletin board above.  
Circle the longer object.  
Draw an X on the shorter object.

5. Which shows these objects in order from shortest to tallest?

tall chair: about 30 

tall book: about 10 

tall basket: about 20 

- (A) chair, book, basket
- (B) basket, chair, book
- (C) chair, basket, book
- (D) book, basket, chair
