# Collecting Data Using Tally Marks

Make tally marks to show how many flowers of each kind there are. Then write each total.

Total

1.

Rose			
Tulip			
Daisy			

Use your tally to answer the questions.

2. Which kind of flower is there the most of? \_\_\_\_\_

3. How many daisies and roses are there in all? \_\_\_\_\_

## Algebra

4. How many more daisies than tulips are there?

- (A) 2
- (B) 3
- (C) 5
- (D) 7

## Reasoning

5. How many roses and tulips are there in all?

- (A) 15
- (B) 13
- (C) 12
- (D) 3
