# Problem Solving: Make an Organized List

Make a list. Write the color of the motorcycle.

1	2	3	4	5	6	7	8
							
red	pink	orange	yellow	green	blue	purple	black

1. This motorcycle is between numbers 3 and 6.

Which color could it be?

yellow

This motorcycle is the color of a banana. What color is the motorcycle?

2. This motorcycle is between numbers 1 and 4.

Which color could it be?

\_\_\_\_\_

This motorcycle is the color of a pumpkin. What color is the motorcycle?

## Reasoning

Make a list to find the secret number.

3. I am a number greater than 55.  
I am in a square.  
What number am I?

- |        |        |
|--------|--------|
| (A) 28 | (C) 60 |
| (B) 63 | (D) 78 |

 35	 23	 28
 52	 43	 48
 60	 63	 78
